*"The Lido"*

*In November 1956 the B & B Tavern was purchased and renamed the Lido Bar and Grill. It's name was taken from the Lido in Phoenix, Arizona, that was owned by Frank Gorman's father. Frank Gorman Sr., named his restaurant after the Lido in Paris that he experienced during World War I.*

*Lido was opened with the intention of being a comfortable, friendly, family restaurant. We want people to bring family and friends and not have to save up to come here. Our quality food, our inexpensive prices and our terrific staff have enabled us to attain our goal.*

*The Lido is a very unique place. What makes it so special are the people who eat here and the people who work here. They are our advertisement, our source of success. We thank them all and we appreciate their loyalty. It has been a remarkable six decades and we thank you.*

*It continues to be a pleasure to serve you!*
