Our Story

The year was 1956 and while Elvis had yet to put on his blue suede shoes and Ike was entering his second term, Frank Gorman opened an affordable family restaurant in Hackensack, NJ as a tribute to his father whose favorite Parisian restaurant during World War I was The Lido.

Lido was opened with the intention of being a comfortable, friendly, family restaurant. We want people to bring family and friends and not have to save up to come here. Our quality food, our inexpensive prices and our terrific staff have enabled us to attain our goal.

The Lido is a very unique place. What makes it so special are the people who eat here and the people who work here. They are our advertisement, our source of success. We thank them all and we appreciate their loyalty. It has been a remarkable six decades and we thank you.

It continues to be a pleasure to serve you!
